Ideal for those seeking reconnection with the elements or those seeking to conquer them, Bynna offers headfirst immersion into the prestige and glamor of Swiss Alpine luxury living.

Dreamy interiors present a lovely combination of chalet romanticism and boho-chic sophistication. A dynamic rectangular floorplan is bolstered by a network of buxom light timber, opening up a gorgeous dimension of verticality. Oversized windows, clerestory accents, and dramatic vaulted ceilings punctuated by architectural skylights curate an especially luminous and inviting ambiance. Multiple lounges with state-of-the-art entertainment ensure intimate moments with loved ones during snowed-in evenings. This luxury chalet comprises four bedrooms, each afforded lavish ensuites for maximum comfort. Three bedrooms feature double beds that could be separated into two twins and accommodate six adults, while the fourth bedroom features three bunk beds ideal for three more younger guests.

ZERMATT

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
