JOSE IGNACIO

Punta del Este is one of South America's foremost beacons of fine luxury living. Well-known for decades by the Argentine and Brazilian jet-set, this seaside city's reputation now goes far beyond hemispheres. A place to see and be seen, this glitzy coastal community has inspired comparisons to Monaco. Scintillating casinos, glamorous beaches, and famed club zones brimming with the buzz of celebrity sightings and gossip make up Punta's mystique. From the Gaudi-style whimsy of Carlos Páez Vilaro's cliffside art gallery to the iconic Mano en la Arena sculpture protruding from the fine sands of Playa Brava, Punta del Este abounds with a youthful and exuberant spirit that enchants far and wide.
