Villa Ela is a spectacular beachfront luxury estate peering into the purest expression of St.Barths' sublime natural beauty. Revered positioning nestled between the famed sands of Flamands beach and lush verdant foliage satiates the ultimate tropical Island fantasy. Serene and secluded within a short distance of St.Barths' outstanding luxury amenities and infrastructure, Villa Ela is designed to dazzle the most weathered luxury adventurers.

With such spectacular design and world-class amenities, the sands of Flamands beach may be considered a secondary attraction. Aesthetically immaculate interiors fuse beachy romanticism with the pinnacle of high culture refinement. Radiant white interiors dazzle with aesthetic purity; a stunning monochrome palette interacts gorgeously with the generous Caribbean sunlight. Crisp linens shroud the ultra-plush seating arrangements of the great room, with subtle tree-brach rustic accents and seaswept elements imparting a naturalism and grace rarely seen in Saint Barths' luxury villas of similar caliber. Dainty paneled glass and French doors open directly unto the glorious veranda poised before the majestic turquoise horizon. Four luxuriant bedrooms are fantastically configured across the main Villa's two floors, while an additional four-bedroom guest house elevates the guest capacity to 16. Perks include an array of modern electronics and elite home automation for total convenience. Private suites are supplied with Ralph Lauren fabrics and feature Ligne St. Barts toiletries.

Villa Ela comes to its fullest expression with its stunning exteriors, complete with a beautiful multi-level terrace splayed before the majesty of the Flamands shoreline. Romantic shaded spaces offer no shortage of spaces for romantic alfresco dining or casual afternoon cocktail before wondrous sunset scenes. FLAMANDS BEACH

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the“ destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
