CASA LORO

PEDASI, PANAMA

Casa Loro is an astounding luxury residence embraced by a vast wilderness reserve along the Pacific coast of Panama. This private Villa constructed of local materials navigates to a private tropical Eden spanning thirty acres of lush jungle and coastal terrain. Eco-conscious opulence finds its ultimate expression in this magical oasis, with crystalline waters of the ocean and sand beaches of Playa Puerto Escondido just a few minutes' walk from the estate, just like the tennis and equestrian center.

Glorious interiors present a wondrous fusion of tropical exoticism and bohemian whimsy. The estate comprises the main Villa, four oceanfront guest cabins, and a pool house. Casa Loro's innovative design resembles a contemporary tree house interfacing harmoniously between chic interiors and sublime exteriors. The six pavilions are linked by paths through landscaped gardens and connect to the neighboring Panamaes Reserve via ecological corridors. The dining pavilion is located on the west side of the main Villa, seating up to eight guests. A fully equipped gourmet presents the ultimate culinary workspace, ready to acquaint guests with tantalizing fusion fare. Casa Loro features six sumptuous ensuite bedrooms accommodating up to twelve guests in incomparable discretion, luxury, and comfort. Two bedrooms are located on the east wing of the main house, while the remaining four are situated in the east and west guest suites, ensuring total guest discretion and autonomy. A versatile fitness room invigorates the more active guests, while the newly constructed yoga deck is perfect for soothing morning and evening asanas.

A veritable highlight is undoubtedly the clifftop infinity pool poised before boundless Pacific vistas. Soak in wondrous coastal vistas and salute the conclusion of another day in paradise with a glass of bubbly. These enchanting grounds flaunt a diverse topography riddled with surprises featuring paradisical gardens and pristine jungle ecosystems. A smaller, private pool at the back of the master bedroom offers the option to be heated or chilled, enhancing the intimate luxury experience. Presenting an unmatched tropical luxury experience, Casa Loro leaves none impervious to her charms.
