CASA MAJANI

LA PUNTA ESTATES, PUNTA MITA

Casa Majani is a stunning beachfront luxury Villa belonging to some of Punta Mita's most exclusive developments. The ultimate compliment to the ethereal natural beauty of the Riviera Nayarit, this painstakingly designed residence is the brainchild of renowned architects Manolo Mestre and Juan Collignon. Exceptionally conceived, Casa Majani presents a fresh take on tropical luxury poised before the boundless majesty of the turquoise Pacific.

This luxury complex comprises multiple pavilions and open-ended living quarters embracing the sublime majesty of the Punta Mita coastline. Contemporary precision and linear dimensions meet a host of romantic, organic textures, with rugged stone and exotic woods taking center stage. Vaulted exposed beams are a common feature throughout this residence, curating an exemplary sense of airiness, while deep lacquered accents and retractable louvered accents impart an elegant touch of Far East exoticism. Casa Majani seduces residents into the intoxicating pace of beachfront living in no time, with the main gathering space placed beneath the soaring palm-thatched roof of the grand palapa. Striking ocean vistas and balmy trade winds enhance outstanding gastronomic experiences prepared in kitchen quarters fit for the culinary master. Six fantastic ensuite bedrooms flaunt a unique gradient of seaswept elegance between the ocean-facing master suites or the more intimate garden-facing quarters. Lauded for excellent amenities, this Punta Mita beachfront rental includes a home theater, fitness, and yoga rooms.

Two connecting swimming pools blend sea and sky, enhancing undisturbed views of the blue horizon. Nearby, a cantilevered vintage surfboard acts as a whimsical bar, ideal for sunkissed cocktails between dips in the soothing waters. A ground-level fire pit beckons intimate gatherings and unforgettable sunsets, decisively rounding off some of Punta Mita's most beloved newer developments.
