VILLA LA PETITE SEREINE

POINTE MILOU, ST. BARTH

Villa La Petite Sereine is an astounding contemporary residence nestled atop the forested hills of Pointe Milou. Dazzling sea panoramas define this private and serene estate, overlooking some of the most beautiful stretches of St.Barths' coastline. Explore the home's exclusive domain, a short distance from exceptional fine dining and high-end retail, or wander to the family-friendly sands of Anse de Lorient.

Interiors deliver the pinnacle of cosmopolitan refinement and urban glamor to the heart of the West Indies. Radiant white interiors are embraced with expansive glass walls animating astounding finishes and bespoke accents. Natural light dances across the shimmering travertine flooring, creating an exceptional continuity with a regal coffered ceiling veranda. Soaring vaulted ceilings give way to modern slat accents, emphasizing a superb sense of vertical space. A bespoke sectional is enlivened with scintillating pewter throw pillows, high fashion, and contemporary prints adorning the walls. The balmy tropical breeze permeates the interiors from the sea-facing deck to the intimate enclosed back garden. A dazzling chef's kitchen flaunts astounding stone-clad walls popping against glossy ultra-streamlined white cabinetry. An arsenal of top-of-the-line appliances beckons fantastic gastronomic experiences. Five sumptuous ensuite bedrooms push the bounds of tropical Island highlife living, distributed across separate pavilions with private deck access. Ten guests are accommodated in utmost comfort, discretion, and style.

Gorgeous resort-like exteriors flaunt two swimming pools, conjoined through a lavish waterfall feature and a show-stopping outdoor living area. Lush lawns and florid arrangements embrace the hilltop secluded hilltop property offering no shortage of private oases for intimate moments and expansive deck space for lavish entertaining.

ST. BARTH

POINTE MILOU

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the“ destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
