CASA DON REY

ALDEA ZAMA, TULUM

Casa Don Rey is a gorgeous contemporary estate brimming with quintessential Tulum glamor. Exceedingly spacious and eminently fashionable, this home is fully attuned to the beach-chic lifestyle of the Caribbean's trendiest destination. Prestigiously poised in the gated confines of Aldea Zama, Tulum's prime neighborhood, Casa Don Rey is the ultimate hideout for discovering the magic of the jungle-entangled Mayan town and its ethereal coastlines.

A veritable masterwork of barefoot luxury, interiors present a stunning collision of bohemian and industrial-chic sensibilities. This striking statement home wraps around an internal courtyard, positing a bold indoor-outdoor luxury living philosophy. Inside, the chic Eastern-inspired lounge fuses with the games room and bar, curating an idyllic space for social spontaneity and impromptu celebration. Arched concrete plaster accents merge beautifully with a host of luxuriant wood finishes and shimmering precious stone countertops. Endless, paneled glass accents and oversized windows imbue an incredible sense of permeability and airiness throughout the boho-wanderlust-inflected spaces. Each of the ten fantastic bedrooms presents a unique gradient of quintessential Tulum luxury, all impeccably decorated, some of them graced with outdoor bathtubs and panoramic showers hosting eighteen adults. On the other hand, one of the rooms is a paradise for eight little ones accomodated in three bunk beds. Replete with surprises and ingenious design combinations at every turn, Casa Don Rey becomes more engrossing the more attention is paid to it. Top-shelf amenities include a private cinema with tiered seating.

A spellbinding internal courtyard takes center stage, grounded by a focal swimming pool and an outdoor lounge. Luxurious sunken seating and a jacuzzi are accessible from nearly all points of the main floor, an assortment of tropical plants rendering the space a serene hanging garden. A rooftop terrace boasts an additional alfresco dining area and swimming pool hoisted high before a limitless sea of tropical rainforest.

TULUM

ALDEA ZAMA

The laid-back beach town of Tulum has established itself as one of the planet's principal beach destinations and with good reason. Cliffs, ruins, neon water, and white sand all come together in a storybook vision. Visiting in early December or May is a good option, since it's warm and sunny, but crowds are minimal. Gone are the days when Tulum's visitors could expect rustic bungalows without electricity. In less than a decade, the town has remade itself into a very "in" spot frequented by celebrities and socialites. Tulum is now replete with world-class restaurants, high-end boutiques and accommodations. The most ideal way to spend an upscale vacation is in the best villas in Tulum offered by LVH Global.
