VILLA BLONDEL COVE

LEEWARD, TURKS AND CAICOS

Villa Blondel Cove is a spellbinding beachfront oasis satiating the ultimate tropical island fantasy. This luxuriant getaway belongs to some of Turks and Caicos' most prestigious developments, lauded for its private beach and dock. Nautical exploration across ethereal crystalline waters to nearby cays and deserted beaches beckons. Synonymous with exclusivity, adventure, and rejuvenation Villa Blondel Cove is a Caribbean luxury hideaway that leaves none impervious to her charms.

Spellbinding interiors present a potent fusion of contemporary chic elegance and ultra-sleek minimalism. Radiant whitewashed interiors dazzle with contemporary precision and aesthetic purity, while endless echelons of svelte floor-to-ceiling glass flood the home with natural light. Polished tile floors navigate an intuitive layout, while a magnificent onyx stone kitchen acts as a centerpiece in a delightfully opulent yet elegantly understated beach Villa. A delectable less-is-more living philosophy makes up the uncluttered common areas emanating a calming Zen presence conducive to the most relaxing Island getaways. Classic modernist furnishings, a sculptural console table, and an Eames chair convene around a sophisticated media area. Natural opulence threads up the luminous underlit stone staircase to the second floor. Here, you will find a master suite replete with an indoor and outdoor seating area, a fire pit, and a private balcony. A sumptuous master bath spares no expense, where rich granite blankets the walls, countertops, and shower, fully indulging in the artistry of stone. Villa Blondel Cove delivers six idyllic bedrooms, three of which command captivating views over sparkling cerulean waters. A unique media room adds to the home's excitement of the finer things in life.

Exceptional interiors offer no shortage of shaded and unshaded spaces to soak in the tropical splendor. A focal heated infinity-edge swimming pool extends authoritatively toward the turquoise waters of the Leeward Channel. Villa Blondel Cove is the idyllic jumping-off point for water and land recreation, with neighboring mangroves awaiting exploration by kayak in addition to nearby golf and tennis facilities.
