# VILLA LA CALETA

PONTOQUITO, PUNTA MITA

Villa La Caleta is an exemplary beachfront estate brimming with all the prestige of Punta Mita's finest luxury properties. La Caleta belongs to a private enclave on the North Shore in the revered Pontoquito region, boasting a uniquely secluded position. Lauded as a veritable masterwork of modern Mexican architecture, this home is fully informed by its lush jungle setting, stunning shorelines, and majestic ocean and mountain views.

Gorgeous Villa La Caleta, conceived by an acclaimed team of artisans and master architects, offers 12,400 sq. ft of unforgettable indoor-outdoor luxury living spaces under a network of exotic palapa-styled thatched roofs. Exceptional living spaces align between cosmopolitan elegance and tropical exoticism with gorgeous low-profile seating and built-in banquettes garnished with globetrotting trinkets and postmodern sculpture. Rounded-edge adobe-style walls introduce beautiful bursts of saturated color, invoking Frida Kahlo's famed palettes. Bound natural wood scaffolding imparts a delectable tropical romanticism to the open, free-form living spaces perpetually informed by the fragrant ocean breeze. Dynamic living spaces are conjoined by a network of deck spaces and paths traversing aromatic jungles and koi ponds, immersing guests entirely in the home's natural splendor. Villa La Caleta features six bedrooms, appointed with designer furnishings and deluxe linens for utmost comfort. Top-notch amenities include a gym, a media room, and wine storage, covering all the bases from leisure, recreation, relaxation, and epicurean indulgence.

The spellbinding oceanfront property outdoor areas include a saltwater infinity pool and jacuzzi that jut dramatically towards the far-reaching ocean horizon. Replete with a beachfront dining pavilion, La Caleta fully embraces Punta Mita's natural splendor. Fully outfitted for all-day and all-night recreation, this Villa presents the gold standard of Punta Mita luxury living.
