YACHT 2 LADIES 152

MOTOR 150-200FT, YACHTS

Yacht 2 Ladies 152 offers all the amenities you would expect from a great charter yacht and more! This 152' steel displacement yacht was created by a collaboration between Mulder Design, Studio Spadolini, and Rossinavi and wows with a high volume, sophisticated interior, and high-quality finish. 2 Laides was designed for worldwide cruising in all weathers and have a range of over 4,500 nautical miles.

Her classification makes sure that each trip will be made at the highest level of safety, whereas Naiad zero speed stabilizers ensure smooth anchoring at all times. Three decks offer lots of gathering areas: From the main deck with large dining area for up to 10 persons to the wheelhouse deck with a comfy seating area aft with coffee tables and a generous seating & sunbathing area on the foredeck to the fully equipped flybridge with sun loungers, sunbathing area, Jacuzzi, bar, & BBQ , you are spoilt for choice! All decks can be accessed via a glass elevator, which is embedded in the exposed staircase, and represents the centerpiece of this imposing yacht; the elevator is also suitable for wheel chairs (maximum width 23 inches). The staircase is made of ebony and steel, whereas the steps are made from travertine marble, treated to resemble orange peel. The marble porosity was enhanced so that the light flushes the structure; thus the steps are illuminated in a warm, non-offensive to the eye way. Her contemporary, minimalist interior, designed by Studio Spadolini, features walnut wood flooring mixed with brushed ash wood, glossy varnished ebony, and ceilings with lacquered and illuminated panels, creating an airy ambiance. Up to 12 guests can be easily accommodated.

The lower deck features a beach club, sauna, and an additional bathroom; there is a side opening door for the tender so that the aft area is effectively always available as a beach club. These amenities, together with a high-end entertainment system and an impressive selection of water toys, make sure there will not be a dull moment on board and round off the great charter package that is 2 Ladies.
