YACHT FAR FROM IT 142

MOTOR 100-150FT, YACHTS

Yacht Far From It 142 feels like a much larger boat, thanks to her wide beam and clever use of internal space. Enjoying a thorough refit in 2016, she has been given a major lift in new carpets, furnishings, linens, art, AV equipment, new towed tender and current model Waverunners for all-day on-water fun!

She has six spacious cabins accommodating 12 guests in total comfort and style: the full-beam Master on main deck, VIP on Sky Lounge deck and four Guest staterooms on the lower deck, three Queens and one Twin room. The Master suite boasts a magnificent desk and office area with a TV and a Subzero two drawer refreshment center. As well as large King bed, there is a dresser with vanity, full entertainment system in cabinetry opposite the bed, with a 50" Samsung LCD TV. Forward of the bed are his (starboard) with dual head steam shower and her (port) bathrooms, with large Jacuzzi tub and bidet. Both bathrooms have TVs. Each guest stateroom has a beautifully appointed ensuite bathroom with slab marble and granite counter tops. Inside, decor is classic elegance, with the finest in every detail including gloss timber paneling, cream carpet, subtle LED lighting, superb art and sculpture and intricately crafted ceiling inlays.

The upper aft deck has a round teak table for 10 guests, with a compass rose inlay that is duplicated on the coffer ceiling. There's also a wet bar, fridge, a 50" plasma TV with surround sound and a propane grill/oven for alfresco dining. The flybridge has a crescent-shaped bar with four bar stools, wrapping around the 60-jet Jacuzzi.
